

August 29, 2016

All,

It is with deep sadness that I inform you of the passing of our dear friend and colleague Roddy Lee at his home this morning. Roddy joined American Pipe in 2010 and was a legend in our industry with his over 50 years of experience. Roddy was a trusted friend and mentor to many of us and will be greatly missed. Please keep Roddy's wife, Diane, and his family in your thoughts and prayers during this difficult time.

Sincerely,
John Howe
