

American Pipe & Supply “adopts” Inglenook Elementary

American Pipe & Supply is committed to making a positive impact in Birmingham and has partnered with [Better Basics](#) to support our local community. Several team members participated in the [Birmingham Reads](#) program at Inglenook Elementary in October of 2018.

American Pipe also held a non-perishable food drive for families of children that attend the school. We were able to collect a total of 1182 food items for distribution shortly before Thanksgiving.

4100 EAST LAKE BLVD. BIRMINGHAM AL 35217

We are also proud that several members have volunteered to participate in reader mentor training with Better Basics. These volunteers will meet with Inglenook students on a regular basis to coach struggling readers to improve reading skills and reach grade level.

American Pipe & Supply has also made a financial contribution to Inglenook through the [Better Basics Schoolwide Enrichment program](#), which allows schools flexibility to expand their curriculum through in school programs as well as off campus offerings.

If you would like to learn more about how you can support similar efforts through Better Basics, visit betterbasics.org
